### HOW WE COLLECT INFORMATION?

Vocaly collects your information in the following manner:

- Vocaly collects information when you complete your registration to join Vocaly and access the Services and/or by logging into an account that you already have with certain third-party social networking sites (hereinafter referred to as the "SNS"), including, but not limited to, Facebook, Google+, Apple. For example, Vocaly's Services may allow you to create an account and login to the Services using your Facebook account credentials through Facebook Connect. Vocaly collects information that you voluntarily provide to become a registered user of Vocaly's Services, and when you use certain aspects of Vocaly's Services;
- Vocaly collects voluntary information from you, as an account holder, to add to your Account. This is completely voluntary on your part and Vocaly makes every attempt possible to collect as little personally identifiable information to create these profiles;
- When you browse or use Vocaly's Services,, technological tools including "cookies" collect certain information, as explained in the following section.

## **WHAT INFORMATION DOES VOCALY COLLECT?**

### Personal information:

Vocaly collects personally identifiable information (hereinafter referred to as the "**Personally Identifiable Information**") directly when you create an account with Vocaly Services. Personally Identifiable Information is information that identifies you and that may be used to contact you both online and offline. Personally Identifiable Information may include, but is not limited to, first name, last name, age, email address, gender, stage name, profile picture, audio recordings, video recordings etc. Additionally, if you will be creating an account on the Services using your SNS account, Vocaly may collect your Personally Identifiable Information that you have already provided within the SNS (including, but not limited to, other information that is publicly available in your SNS account, as well as additional information that you have provided to Vocaly for access through the SNS) to create your account on the Vocaly Services. The information we collect may depend on the privacy policy of the SNS in question, so you should consult with the SNS in question in this regard.

Moreover, Vocaly as part of its Services, collects and stores the audio and video recording. Vocaly does not collect and store audio and video recordings made within the Services that are not connected with a valid, signed-in account.

As part of profiling your account on the Services, you will be able to add a profile picture of yourself. However, adding this photo will not be necessary for you to properly use the Services and is entirely up to you.

The Vocaly application may also include the ability to link certain geographical information made available by Vocaly with your physical location. When you use the Vocaly application, this application may know, in very general terms, your current physical location. To the extent that your physical location can be determined by the Vocaly application, Vocaly may use your location to make available information to you that is relevant because of your physical location. In addition, by using the Services, Vocaly may track your activity on, among other things, third party applications and websites. This data may also be shared with third parties as indicated in this Privacy Policy. If you are an IOS user, you can disable this feature by clicking on the "Ask App Not to Track" notification or disable this feature in your tracking settings.

Your Personally Identifiable Information (and sometimes in combination with Non-Personally Identifiable Information) is used by Vocaly to provide the Services to you (details below).

### Non-Identifying Information:

Vocaly may also collect information that you provide as part of the registration or account personalization process on the Vocaly Services that cannot be objectively used to identify or contact you (e.g. individual preferences) (hereinafter after referred to as the "Non-Personally Identifiable Information"). Some Non-Personally Identifiable Information may be considered part of your Personally Identifiable Information if it is combined with other identifiers in a way that makes it possible to identify or contact you. At the same time, the same information will be considered Non-Personally Identifiable Information when taken alone or combined only with other Non-Personally Identifiable Information.

## **WHY DOES VOCALY COLLECT AND HOLD YOUR INFORMATION?**

Vocaly collects and holds your personal data in connection with the provision of the Services. This can be divided into the following categories

### 1. Personal data that you provide as part of the Services as a user (including during registration and personalization of your profile).

The processing of your personal data is necessary for the proper performance of the agreement between you and Vocaly (hereinafter referred to as the "**Agreement**"), which is concluded by your acceptance of the terms and conditions. The data you provide will enable you to register for an account and to use the Services correctly as a user.

The data you provide to Vocaly as part of the Services is processed for the purpose of providing the Services - Vocaly processes personal data in order to provide content and Services to its users, including information about available content and services, and most importantly, for the proper and fully satisfactory use of the Vocaly application.

Legal basis for processing: Article 6(1)(b) of the GDPR (processing is necessary for the performance of an agreement to which the data subject is a party).

### 2. Personal data you provide in contact forms.

The processing of your personal data may be necessary in order to handle user complaints and claims related to the Services, to contact a user of the Services or a third party using the Services. In addition, the processing of your personal data may be necessary to take explanatory or corrective action. Vocaly does this to answer your questions and to provide you with the necessary assistance.

Legal basis for processing: Article 6(1)(b) of the GDPR (processing is necessary for the performance of an agreement to which the data subject is a party) and Article 6(1)(f) of the GDPR (legitimate interest of Vocaly).

### 3. Personal data provided for the purpose of making payments for the use of the Services.

In the event that payment would be required to use parts of the Services, then such processing of your personal data will be necessary in order to perform the Agreement and to enable you to use those parts or all of the Services offered by Vocaly. In addition, the processing of such data by Vocaly will be necessary in order to archive documents proving that Vocaly has performed its obligations under the Agreement. The Services are integrated with RevenueCat to manage the in-app purchase functionality of the app. If you make an in-app purchase, RevenueCat will receive an information about that purchase. RevenueCat does not receive or process your payment information, such as a credit card number. RevenueCat's Privacy Policy can be found here <https://www.revenuecat.com/privacy/>

Legal basis for processing: Article 6(1)(b) of the GDPR (processing is necessary for the performance of a contract to which the data subject is a party) and Article 6(1)(c) of the GDPR (fulfillment of a legal obligation incumbent on Vocaly).

#### 4. Data automatically stored when using the Services.

When you use the Services offered by Vocaly, the following data may be stored in the system logs: your IP address, the address of the website that referred you to the Vocaly Services, the type of browser you use and its display settings, the type of operating system, the date, time and duration of your visit, etc. The log data collected is used primarily for statistical and analytical purposes and to improve the Services provided by Vocaly, to improve their quality and to adapt their functionality to your needs

Legal basis for processing: Article 6(1)(f) of the GDPR (legitimate interest of Vocaly).

#### 5. Data processed for marketing purposes and to improve the quality of the Services.

In order for Vocaly to undertake marketing activities and to improve the quality of the Services - Vocaly also processes your personal data for its marketing activities and to continually improve its Services. Vocaly strives to ensure the highest quality of the Services offered and to promote them.

Legal basis for processing: Article 6(1)(f) of the GDPR (Vocaly's legitimate interest, i.e. to improve the Services, to ensure their best quality and to tailor marketing information to the interests of users of the Services).

### **INFORMATION SHARED WITH THIRD PARTIES**

Vocaly may share aggregated information that does not include Personally Identifiable Information and we may otherwise disclose Non-Identifying Information and log data with third parties for industry analysis, demographic profiling and other purposes. Any aggregated information shared in these contexts will not contain your Personally Identifiable Information. Vocaly may also provide Personally Identifiable Information to its business partners or third parties for the purpose of providing you with information on goods or services Vocaly believes will be of interest to you.

If you use the content of service provided by other platforms, e.g. YouTube, Facebook, Twitter, within the Services, you agree to share your Personally Identifiable Information with such platform.

Vocaly may employ third party companies and individuals to facilitate the Services, to provide the Services on behalf of Vocaly, to perform Services-related services (e.g. maintenance services, database management, analytics and improvement of the Services features) or to assist Vocaly in analyzing how Services are used. These third parties have access to your Personally Identifiable Information only to perform tasks on behalf of Vocaly.

### **POLICY TOWARDS CHILDREN**

The Services are not directed to children under 13, and Vocaly does not knowingly collect Personally Identifiable Information from children under 13. If Vocaly realizes that it has collected Personally Identifiable Information of a child under 13 without the consent of parent or legal guardian, Vocaly will take steps to delete such information from its files as soon as possible. Vocaly encourages parents

to take precautions to assure that their household is safe and protected when creating and sharing this video content.

For children user who pretends to be an adult and use the adult-age to register within the Services or the children user who borrows adult accounts to use the Services, Vocaly may collect the personal information of the children user as an adult user since Vocaly cannot realize that the user is a child before Vocaly detects and identifies him or her as a child. If Vocaly detects and identifies the user as a child, Vocaly will block the user account and forbid the user to use the Services.
